## Welcome to Cactus Voyager...

LET US TAKE ALL THE BOTHER OUT OF YOUR ACTIVITY NEEDS! AT NO EXTRA EXPENSE TO YOU, WE MAKE ALL THE ARRANGEMENTS ON YOUR BEHALF! COME & TALK TO US, We will do our best for you!

Conveniently located at Coral Gardens Resort, we are able to introduce you to scuba diving right in front on the Bight Reef. 3 easy steps to discover the underwater realm with scuba gear with a PADI professional private instructor. Open water courses and referrals are conducted on-site at the resort.

Once you have experienced your first open water dive, you will want to take a trip out on the boat for a 2 tank dive and see the richly decorated coral walls of the TCI. You will be accompanied by your personal instructor to a comfortable depth of around 40 feet, on 2 separate dives lasting somewhere in the region of 45 minutes. We offer mask, fins and snorkel rental by the day or save 2 days when you pay for a week!
